NAMIBIA DISCOVERY – LEVEL 1

Longer and more complete discovery bike tour of Namibia...

In order to mix sceneries, wildlife,
and some cultural experiences, you
need to ride longer distances and
also visit the northern part of the
country. Join Now!

Note: Our enduro tours, are
available as guided or self-guided
tours, with or without a tour guide.
This tour is also suitable with a Pillion.
Pillion Extra Cost: Eur 1.695

Road conditions:

This is a level 1 tour, involving long
distances on tarmac and +/-30km
on gravel/sand only. This tour is
accessible to any biker, over 30
years of age and holding an A
European Licence. Riding along
Namibian tarmac road network is
an absolute pleasure. Roads are in
very good conditions. However,
your full attention is required to
deal with other traffic as well as
wild and domestic animals.

Guided or Self-Guided Tour?

Our fleet of dual-purpose bikes allows us to offer both options. It all depends how you like to travel. Some will enjoy the freedom of a self-driven tour, when some others will prefer the extra comfort and atmosphere of a small guided tour.

Level 1 Tour > Tarmac only

Level 2 or 3 Tour > Tarmac + Gravel/Sand

The Bikes:

GS 1200 > Recommended for Level 1

GS 800 and Africa Twin 1.000 >

Recommended for level 1 / 2 / 3

Pillions > Advisable on level 1 Tour ONLY.

“You only live once, but if you do it right, once is enough... Every early morning departure on a motorcycle tour proves this to be absolutely right... “
