## WIDE OPEN SPACE – LEVEL 3

**A long, challenging and very complete motorcycle experience in Namibia...** Great variety of roads, sceneries, activities, food and accommodation... This tour is NOT for beginners or intermediate off road riders. It is for advanced and experts only. You will ride in two different deserts, visit private game reserves, national parks and encounter local wildlife.

#### Road conditions:

This is a level 3 tour, involving long distances on gravel (50%) and tarmac (50%). The road conditions will be unpredictable. Riders should be able to control their bikes under any circumstances (tarmac, gravel, sand, rain, wind...). You need to be able to fix a puncture on self guided tours. This is one of our toughest tour.

## WIDE OPEN SPACE – NAMIBIA ENDURO TOUR | 1 TO 8 BIKES

### Guided or Self-Guided Tour?

Our fleet of dual-purpose bikes allows us to offer both options. It all depends how you like to travel. Some will enjoy the freedom of a self-driven tour, when some others will prefer the extra comfort and atmosphere of a small guided tour.

Level 1 Tour > Tarmac only

Level 2 or 3 Tour > Tarmac + Gravel/Sand

The Bikes:

GS 1200 > Recommended for Level 1

GS 800 and Africa Twin 1.000 >

Recommended for level 1 / 2 / 3

Pillions > Advisable on level 1 Tour ONLY.

“You only live once, but if you do it right, once is enough... Every early morning departure on a motorcycle tour proves this to be absolutely right... “
