We will also ride along the Skeleton Coast, so much variety...

This is a level 1 or level 2 tour, involving long distances on tarmac and limited portions of gravel/sand. This tour (level 1) is accessible to any biker holding an A of A2 European Licence. For level 2, we add more gravel roads. All our Vintage Tours travel with a back-up vehicle, a trailer and a driver. There is also a biker/guide in front of the pack, opening the road.

ROYAL DISCOVERY | NAMIBIA VINTAGE RIDE | 4 TO 7 BIKES

Why the Royal Enfield Classic 500?

We believe in small groups (maximum 8 bikes), professional road planning, quality accommodation and great food and drinks in order to deliver a fantastic experience. The RE Classic 500 allows us to deliver just that, with a real taste of adventure. Surely not the fastest, the most powerful or the fanciest bike we could get, but it takes you back in time, to the core pleasure of riding. With a reasonable top speed, we always remain under the speed limit, ensuring safe rides and joyful encounter with the locals.

“Every year, we organise a scouting trip, exploring new roads, testing new itineraries, guest house, lodges and activities. This is the best part of the job... And then sharing these experiences with our guests...”
